

Accelerated Master's Double Laser Program

5-YEAR PLAN

This roadmap provides you with an example of the steps that you can follow to help complete your Bachelor's and Master's degree in 5 years. You can start your Double Laser journey any time before you graduate. By using this roadmap as a guide, you could save up to 30% on your graduate tuition costs and complete 12 graduate course credits (4 courses) before starting graduate school. Be sure to always consult your academic advisor before registering for classes.
