DIRECTIONS FOR COMPLETING PLACEMENT EXAMS

1. Click on the direct link of either the Math Placement Test or English Placement Test listed on the Welcome Website. The links are also below.

2. After you click the link, you will need to log in with your Lasell username and password first. This was sent to you with your Welcome Packet.

3. After logging in, you will be asked for an enrollment key to begin the test. The enrollment key for Math Placement Test is **math**, and for English Placement Test is **english**.

**PLEASE NOTE:** All incoming students must take the Math Placement Exam. The English Placement Exam is optional for students. Students are placed in an appropriate English course based on SAT scores. If you opt to take the English Placement Exam, both your SAT score and the placement exam will be used to place you in an appropriate level course.
