8:00 P.M. – 10:00 P.M.

Mentalist Robert Channing
[de Witt Hall – Winslow Academic Center]

The audience will participate and experience the fascinating and mysterious wonders of the sixth sense. Pick a thought -- any thought. Robert will tell you what it is. Social security numbers, special dates or even the exact amount of money in someone's pocket - it's no challenge to him - but your mind will ache with curiosity and wonder. Special thoughts, specific people, and special events - if it is on your mind - Robert can reveal these innermost thoughts. Absolutely no audience confederates. No information is ever given to Robert before the performance. The names, numbers, and innermost thoughts that he reveals are those actually held in the minds of the audience -- all strangers to him. **There is no charge for this event.**
