About Financial Aid: If you applied for financial aid, but some or all of it does not appear on the statement, the necessary paperwork may not be complete, or the award may have changed. Please note that mandatory loan fees (0.5% of Stafford Loans) do not apply as a credit toward your balance due. *Payment of your current balance due will not be deferred for incomplete financial aid paperwork or pending appeals.* Please contact Student Financial Planning at (617) 243-2227 with questions regarding your financial aid.

ALTERNATIVE PAYMENT OPTIONS

If you choose a payment plan or loan to pay your bill, applications must be approved and completed prior to the payment due dates listed above in the 'Payment Schedule' section. When determining the amount to borrow, any fee charged by the lender must be added to the balance due to Lasell College to insure your College account is paid in full.

*** Student Financial Planning recommends that, if you are in at least 6 credits per semester, you take advantage of the Federal Stafford Loan program before you pursue an alternative student loan, as the interest rates and terms are more competitive. Please contact Student Financial Planning, if you have any questions regarding loans, at 617-243-2227 or by email at finaid@lasell.edu.

Graduate PLUS Loan: The PLUS Loan has a variable interest rate that will never exceed 9%. There is a maximum repayment period of 10 years, with a minimum monthly payment of \$50 and no pre-payment penalties. A 3% mandatory origination fee will be deducted by the Federal Government from the requested loan amount. To apply for the Federal PLUS loan, go to www.studentloans.gov. You will need your social security number and the PIN you used to electronically sign the FAFSA. If you do not have that PIN, you may request a new one at www.pin.ed.gov before you apply for the loan.

Alternative Loans: The amount is limited to the cost of attendance less the other aid a student is receiving. To research loans, the lenders available and to apply for a loan, go to http://studentlendinganalytics.com/alternative_loan_options.html You will be able to compare lenders and rates, and then follow the links to the website of your lender of choice to apply for the loan online.

Monthly Payment Plan: Lasell College has contracted with Tuition Management Services (TMS) to allow a monthly payment option. Enrollment in the plan allows you to pay your semester balance in four equal payments, beginning August 2013 for the fall semester, and December 2013 for the spring semester. You may enroll in the TMS plan until the semester due date, provided the missed payments are submitted upon enrollment. A \$40 enrollment fee is collected by TMS, however there is no interest and no other fees. The payment plan is not available for the Winter or Summer sessions.

For more information about the TMS payment plan, or to enroll, visit www.afford.com/lasell or call 888-216-4258.

LATE PAYMENT AND RETURNED CHECK POLICY

A late charge of 18% per annum (1.5% per month) will be assessed to overdue accounts. Any check returned unpaid will result in a \$25 fine. The College reserves the right to suspend or terminate services and/or enrollment due to delinquency in payment. In the case of delinquent accounts, if an outside collection agency is utilized, the student's account may be assessed collection fees.

ACCOUNT ADJUSTMENT AND REFUND POLICIES

Student Account with a Credit Balance

Credit balances occurring as a result of excess loans or financial aid will not be issued until the entire loan and/or aid funds have been received by Lasell College. Credit balances for enrolled students will remain on the account unless requested by the student, or Federal funds exceed the cost of attendance. Excess Federal funds will be issued to the student in accordance with Federal regulation. Refunds will be issued within three weeks of the request and will be made payable to the student. Students who request a refund prior to the end of the academic year understand that, if additional charges are assessed and/or financial aid is adjusted following receipt of a refund, a balance may be due to the College.

Withdrawal from the College

The following Withdrawal Adjustment Schedule applies to a student who has completed the appropriate steps to cancel his/her enrollment at Lasell College. Non-attendance does not relieve the student of financial obligation or imply entitlement to a refund. Please contact the Registrar's Office for proper withdrawal procedures.

For all withdrawals after the published Add/Drop period, no adjustment is made to the Accident and Health Insurance Fee.

For purposes of account adjustments, no differentiation is made between voluntary withdrawal, administrative or academic suspension.

Adjustments and refunds to Federal Financial Aid are made in accordance with the regulations set forth by the Federal Department of Education. For a copy, please contact our Office of Student Financial Planning at 617.243.2227.

Unpaid charges may remain after adjustments and are the student's responsibility.
