Taking part in a trip during Lasell Laser Welcome Weekend is a way to connect with other students you may have met during orientation, meet new friends if you missed any of the summer programs, and to get to know our faculty, staff members, and current student leaders. Each trip is led by a faculty or staff member and gives you the chance to meet them outside the classroom before you begin classes.

All trips depart from the Arnow Campus Center (unless otherwise indicated) at the time indicated. Please arrive at least 10 minutes before your trip is scheduled to leave. Many trips are open ended and return times are flexible. Be mindful of the Lasell Laser Welcome Weekend schedule in returning from your trips.
