WELCOME TO GREAT.
We are very excited that you and your family are IN PURSUIT OF GREAT, and have chosen to be a part of the Lasell College community.

This Welcome Packet contains information that you and your family will need as you begin your educational journey at Lasell College.

We know that after reading this packet and checking out welcome.lasell.edu, you may still have questions. Please bring your questions to Orientation. Or, if you cannot wait until then, please do not hesitate to contact the Office of Student Activities at (617) 243-2475 or via email at studentactivities@lasell.edu. The Office of Student Activities is open Monday through Friday 8:30 A.M. - 4:30 P.M. during the summer. Please note between July 1, 2016, and August 26, 2016 the Office of Student Activities will be closed on Fridays.

We look forward to welcoming you to the Lasell Community! Go Lasers!

Thank you,

Jennifer L. Granger
Director of Student Activities & Orientation

LASER LINK ORIENTATION

Laser Link Orientation is our summer orientation program for first year students. During this two-day program you will stay on campus, receive academic advising, register for classes, and meet other new students. It is an opportunity to connect with your new classmates, to learn about the campus, and to help prepare you for the fall semester.

Space for each of the summer sessions is limited and will be filled on a first-come, first-served basis. Please note: there is no particular advantage to coming to the first session; an equal number of spaces will be set aside in all first-year classes for each session. Please register as soon as possible.

Laser Link Orientation is staffed by four professional staff members from the Office of Student Activities and twelve student Orientation Leaders (OLs). These students represent a wide range of majors, interests and co-curricular activities. They have been trained to help you in the transition to the Lasell community. You will be assigned to an orientation group with two OLs who will guide you through the Orientation program. Visit welcome.lasell.edu for more information about Laser Link Orientation!

REGISTER FOR AN ORIENTATION SESSION AT WELCOME.LASELL.EDU

Before registering online, please see if any family members will be attending the Parent & Family Orientation Program and secure a credit card for online payment. You may also select to pay by check. If you select pay by check you will need to mail a check or bring a check with you to Laser Link Orientation. Checks can be mailed to:

Lasell College
The Office of Student Activities
1844 Commonwealth Avenue
Newton, MA 02466.

Confirmation of your registration and orientation payment will be emailed to your Lasell email – please begin to check this email at least once a week.

Items that you will need to bring to Orientation and will not be provided on site are:

- A towel and a washcloth
- All toiletries, including shampoo, soap, hairdryer, and any other personal items
- An alarm clock/cell charger
- Comfortable clothing, such as shorts, t-shirts, jeans, a sweatshirt or light jacket (it can get cool at night), something to sleep in, comfortable shoes
- Extra-long sheets for a twin-sized bed, with a blanket, or a sleeping bag, and a pillow

You will not need money for anything unless you wish to make purchases in the bookstore or purchase snacks. Pack lightly, as you will only be on campus one night. There will be nothing that you need to dress up for during the program.

LASER LINK ORIENTATION SESSIONS (choose your session from the dates below)

MONDAY, JUNE 13 & TUESDAY, JUNE 14
THURSDAY, JUNE 16 & FRIDAY, JUNE 17
MONDAY, JUNE 20 & TUESDAY, JUNE 21
THURSDAY, JUNE 23 & FRIDAY, JUNE 24

The cost of the two-day Orientation program is $60.00. This cost includes meals, lodging, and entertainment.

Check-in will be at Rockwell Hall beginning at 8:30 A.M. until 9:00 A.M. The program will begin promptly at 9:00 A.M.

Laser Link Orientation concludes at approximately 3:30 P.M. on the second day.

Our staff members are happy to help incoming students with any questions or concerns. The Office of Student Activities can be reached Monday – Friday 8:30 A.M. – 4:30 P.M. during the summer via phone at (617) 243-2475 or email at studentactivities@lasell.edu.
PARENT & FAMILY ORIENTATION

Day 2 of each Laser Link Orientation (June 14, 17, 21, & 24)
9:30 A.M. in the Winslow Academic Center
$15 per person (cost includes lunch)
Registration for the Family Program is processed concurrently with the student’s registration.

Lasell Orientation Website
welcome.lasell.edu

The Lasell College Orientation Welcome Website contains vital information and will be updated throughout Spring and Summer 2016.

You can find your username and password in the enclosed letter. Please login to our Password Management system at password.lasell.edu and change your password to something you can remember. Keep in mind that your username and password unlocks our system and your information, so keep it private and do not share it with anyone.

This username and password will also be used for your Lasell email account, logging on to computers in campus labs, registering for courses, and many other campus technology systems.

If you are unable to login with the provided account and password, please call the Technology Help Desk. The Technology Help Desk is located in the Brennan Library on the Lower Level and is open Monday – Thursday 8:00 A.M. to 9:00 P.M. and Friday 8:00 A.M. to 5:00 P.M. during the fall and spring semesters. You can reach them 24/7/365 by phone at (617) 243-2200 or during business hours by email at helpdesk@lasell.edu. For more details, please visit them at my.lasell.edu/technology.
Lasell Laser Welcome Weekend is the second portion of our Orientation program for new students. This three-day program takes place just before classes start in September. During Lasell Laser Welcome Weekend you will have the opportunity to explore Boston with faculty and staff members and/or join the first year class on an evening cruise of Boston Harbor, adjust to your new community, and learn where your classes will take place.

Register at welcome.lasell.edu beginning mid-August.

Family, Friends, and Alumni Weekend is the College’s time to celebrate the fall season in New England, honor our rich and spirited history, and enjoy the company of students and their families, faculty and staff, alumni, and all members of the extended Lasell Community.

More information will be available starting in late August at: www.lasell.edu/ffaw.
LASER TRANSFER TRANSITIONS  AUGUST 17

Transfer Students are encouraged to attend our Laser Transfer Transitions Orientation program. The Program is designed to provide you with the opportunity to meet some key members of the campus community, to learn about the Lasell academic experience that awaits you, and to get answers to questions you might have about being a Lasell College student. Over the course of the day you will have the opportunity to meet with faculty members from your academic department who will assist you in putting together your fall course schedule, and learn about being a resident or commuter student on the Lasell College campus.

Register at welcome.lasell.edu by Monday, August 8, 2016 or as soon as possible.

The program is free to students and guests are $15.00 each. (There is no specific program for guests; the day is focused on the Transfer student.) Please note: Payment is due at time of registration. Confirmation of your registration and orientation payment will be emailed to your Lasell email.

Check-in for the Laser Transfer Transitions will begin at 8:30 A.M. in the Winslow Academic Center and the program will begin at 9:00 A.M. You may park in lot P3 or P1 for the day. A light lunch will be provided and your day will be completed by 4:00 P.M.

INTERNATIONAL STUDENT ORIENTATION  SEPTEMBER 2

The program will begin with a visa information session and F-1 student registration. In addition to verifying important immigration paperwork, students will participate in an engaging and fun presentation on American culture and what it is like to be an international student studying in the U.S. Following this, the First Year Advising Office will offer students valuable tips for succeeding academically at Lasell College. The academic session will transition into course registration for fall semester classes. Students will be given the option to take a campus tour during which students will be introduced to several key areas on campus. At the conclusion of the tour, student's will be issued their Lasell Student ID cards. The final event of the program will be a welcome dinner during which the staff of the Office of International Services will answer questions and allow students to meet each other informally.

Visit welcome.lasell.edu for times and locations. Questions can be sent to Christine Lookner, Director of International Services at clookner@lasell.edu.
ACADEMIC ADVISING

Upon arrival to campus as a new student you will be assigned to a professional academic advisor for your first year. You will meet with faculty members and advisors during Orientation for help in picking courses, and will leave with a complete course schedule. During your first year, your advisor will help guide you through your transition to life at Lasell and beyond by helping you connect your educational, career and life goals while supporting your intellectual and personal development towards academic success.

The Center for Academic Advising and First Year Programs provides a centralized location for all first-year students’ academic advising services. Located in Bancroft House, the Center for Academic Advising is open daily during the academic year.

YOUR ADVISOR WILL HELP YOU TO:

- Monitor your academic progress
- Identify campus resources that can support your success
- Consider ways you can become involved in and contribute to various clubs, organizations and activities both on and off campus
- Clarify your academic, career and life goals
- Decide what courses and Connected Learning experiences will best prepare you to develop your personal values and professional expectations, and attain your future goals

FIRST YEAR SEMINAR ACTIVITIES:

- Class discussions
- Engaging activities on and off campus
- Team projects
- Field trips
- Civic engagement activities
- Service learning activities
- Building connections with peer mentors (upperclassmen who serve as resources and role models)
- Building connections with faculty and peers

During Orientation, you will be given a list of FYS course themes. Faculty and staff will help you understand the difference between sections, and you can discuss your interests.
FIRST YEAR SEMINAR

The First Year Seminar (FYS) is part of the General Education Core Curriculum and is a requirement for all incoming first year students. The course requirement may be satisfied by completing FYS 103 (3 credits) or HON 101 (3 credits, for Honors students only). FYS is a theme-based course that allows you to take a class in a subject that interests you while also assisting with the transition into the Lasell College community and our Connected Learning teaching method. Course titles range from The Art of Being Human to Witchcraft in History and Pop Culture. In an FYS course, you will further develop skills in public speaking, critical reading, writing, research, technology, and learning strategies required for college level work.
PLACEMENT TESTS

MATH PLACEMENT

All new students are required to take the Mathematics Placement Test before attending Orientation. Your placement score will help you and your advisor select your first math course at Lasell College. When you take the Mathematics Placement Test you may use a calculator and take as much time as you need. However, the entire test should be completed on your own and in one sitting. Submit your answers when you finish. Your math placement score and your SAT (if available) will determine your first math course at Lasell. The core competency math course is MATH 106, Algebraic Operations. If you do not complete the Math Placement Test by Friday, June 10, 2016, you will automatically be placed into MATH 106.

FIRST-YEAR MATH COURSE OPTIONS:

- MATH 106 (3 credits): Algebraic Operations. This course is the staple course for math competency at Lasell College. It is for students preparing to take pre-calculus, statistics or other courses requiring a background in mathematics involving algebra. This course is a self-paced on-line curriculum with instructor guidance throughout the semester and a Connected Learning project. The course will meet twice a week for 75 minutes in the math lab.
- If you place out of MATH 106, you may take another math course based on your anticipated major.

WRITING PLACEMENT

At Lasell College, students in their first year take two writing courses, Writing I (choice of ENG 101 Writing I or ENG 101 Writing I Workshop) followed by Writing II. Please visit the writing program website at www.lasell.edu/writingprogram as soon as possible to indicate which course you plan to take in the fall. Seats are limited in the Writing I Workshops. For more information, please contact the Writing Program Director, Michelle Niestepski at (617) 243-2471 or at mniestepski@lasell.edu.

FIRST-YEAR WRITING COURSE OPTIONS:

- ENG 101 Writing I: In this course, students gain understanding of and confidence in effective writing. Students will write in several different genres such as narrative, analysis, digital writing, annotated bibliography, researched argument and/or collaborative writing. The course emphasizes writing as a process and focuses on the rhetorical choices writers make.
- ENG 101 Writing I Workshop: This course is an extended 101, where students are provided additional time during class to work on their writing while the instructor and a peer writing consultant are present to provide assistance.
SPANISH & FRENCH PLACEMENT

Students in the following majors have a foreign language graduation requirement: English, English with Elementary Education, English with Secondary Education, History, History with Secondary Education, Humanities, Human Services, Psychology, Sociology, and International Business. Students in these areas with previous coursework in Spanish or French should take the Spanish and French Placement Test for the language they have studied; students in other majors who are considering further Spanish or French study at Lasell should also complete the appropriate placement test.
RESIDENTIAL LIFE

Residential Life at Lasell College offers students a unique living experience. Like the classroom environment, Lasell prides itself on having small residential communities where students feel comfortable and connected.

The residential system is comprised of 27 residential buildings, of which nine are traditional-style residence halls, three are suite-style residence halls and fifteen are residential houses. Lasell does not have designated housing for first-year students; however, most new students will be residing in our traditional-style residences which include Woodland, McClelland and Van Winkle Halls. New students are primarily assigned to doubles, triples, and in a few cases, quads. Most new students will be assigned to residential communities which are designated as “dry,” meaning alcohol is not permitted in the building regardless of the residents’ ages.

Please review the important dates noted in the Housing Agreement. Pay particular attention to residence hall opening and closing dates and vacation periods during which students may not remain in housing. When you sign the online Housing Agreement you agree to reside in the Lasell College residence system for the entire academic year. Lasell College carries no insurance covering personal property, and assumes no responsibility for items lost, damaged or stolen from student rooms. Residents are encouraged to review their family personal property insurance and obtain appropriate coverage.

ROOMMATE REQUESTS

New students are welcome to make roommate requests. If you are requesting an incoming resident student (first-year or transfer) he/she must also request you as their preferred roommate. If the person(s) is a current resident student at Lasell College then you both must notify the Office of Residential Life, in writing, of your roommate request. If all parties do not make mutual requests, roommate requests cannot be fulfilled.

Note: Many incoming students will be housed in triples and some will be housed in quads. Please be aware that by requesting only one roommate you are not guaranteed a double room, as the number of double rooms are limited. For example, you and the requested roommate may be assigned to a triple with a third roommate. The Office of Residential Life makes every effort but cannot guarantee that all requests will be met.

SINGLE ROOMS

At this time, there are no single rooms available for incoming students in the fall of 2016. In the event that a single room becomes available, the Office of Residential Life will establish a waiting list for single rooms. Please remember that there is an additional $1,500 charge for the year for a single room.

SPECIAL REQUESTS

The Office of Residential Life and the Office of Disability Services work to provide students a living arrangement that meets any special physical or medical needs they may have. Reasonable accommodations can be made for students with a documented need (housing accommodation requests to support a learning-based disability requires relevant documentation to also be submitted to the Academic Achievement Center Director for consideration of appropriate academic accommodations). Documentation must be provided by a medical provider and submitted in writing to the Director of Disability Services. Please contact the Director of Disability Services at (617) 243-2115 or by email at slamphere@lasell.edu with any questions regarding housing needs.

LOG IN TO MYHOUSING LASELL.EDU/WELCOME and complete the housing information by Friday, July 8 or as soon as possible.

COMPLETE ONLINE HOUSING AGREEMENT:

If you plan to live on campus, you will be able to sign your Lasell College Housing Agreement electronically as well as request specific roommates and/or indicate personal preferences to assist with roommate matching.

Incoming students are assigned to rooms according to the date that their enrollment deposit is received by the College. Based on deposit date, themed housing requests and double occupancy rooms will be assigned first; followed by triple occupancy and quad occupancy rooms. **It is anticipated that room assignments for incoming students will be emailed to your Lasell email address the week of August 12th.**

Additional information about the Office of Residential Life can be found at welcome.lasell.edu. Please contact the Residential Life Office with any questions regarding housing needs at (617) 243-2124 or at residentiallife@lasell.edu.
Housing Style Preferences

Residence Halls & Houses:
Lasell’s traditional style residence halls tend to be larger communities which primarily house first year students. Typically, this housing style features shared single gender bathrooms in a common hallway or corridor, with the exception of Holt Hall, which features double rooms adjoined by private bathrooms. Residence houses are smaller communities, housing between 14-37 students. The residence houses are occupied by students of all class years and include double, triple and quad rooms. There are limited number of spaces available for first year students in the residence houses.

Single Gender Living Environments:
Incoming female students have an opportunity to request all-female housing. If you do not indicate a preference for all-female housing, it will be assumed that you wish to be placed in a coeducational living environment. Important note: Due to the gender breakdown of the Lasell resident student population, some female students, who did not indicate this preference, may be assigned all-female housing.

Quiet Study Housing:
There may be limited spaces available for incoming students wishing to live in Quiet Study Housing (Mott House and Ordway House). Students requesting Quiet Study Housing agree to maintain a quiet environment that is conducive to studying. 24-hour quiet hours are times when there will be no unreasonable noise. Residents of these buildings will ensure that their visitors or guests abide by the quiet study rules. Please note: students who violate the guidelines of Quiet Study Housing (or whose visitors or guests violate the guidelines) may be required to relocate to another type of available housing.

Wellness Housing:
There may be limited spaces available for incoming students wishing to live in Wellness Housing (Briggs House). Students requesting Wellness Housing are seeking a living experience that supports healthy living. All students living in this community agree not to use substances including alcohol, cigarettes or other illicit drugs, both within and outside of the building in which they reside. Students agree to never return to the community under the influence of alcohol or drugs. Any guests brought into the wellness house must abide by all community rules. Students will sign a community agreement, and, if found in violation of the agreement, may be asked to leave the community.

Gender Neutral Housing:
There may be limited spaces available for incoming students wishing to live in Gender Neutral Housing (first floor of East Hall). Gender Neutral Housing is a living environment within our residence halls where student housing is not limited to one gender. This housing choice provides options for: transgender students in the process of discovering their gender identity; gay or bisexual students; students who feel uncomfortable rooming with members of the same sex; intersexed students who do not wish to be identified by any gender; and students who feel they would be more compatible with a roommate of a different gender. Gender Neutral Housing creates an environment that supports healthy living. All students living in this community agree not to use substances including alcohol, cigarettes or other illicit drugs, both within and outside of the building in which they reside. Students agree to never return to the community under the influence of alcohol or drugs. Any guests brought into the wellness house must abide by all community rules. Students will sign a community agreement, and, if found in violation of the agreement, may be asked to leave the community.

Commuter Students

Once on campus, our commuting students avail themselves of all of the resources and programs that are part of the Lasell experience. Campus clubs and organizations plan their meetings for the “common hours,” scheduled midday on Tuesdays and Thursdays, during which no classes are held. Many of the College’s lectures, campus-wide presentations, and social and recreational programs are purposely timed to take place during those “common hours.” Commuter students can get involved in any of the student organizations and clubs that Lasell has to offer, including the Long Distance Lasers (commuter club) and the Student Government Association.

Dining options include Valentine Dining Hall and various retail outlets on campus. Commuter students may purchase a commuter specific block meal plan. More information can be found in the Dining Services section.

Lasell College is conveniently situated near the Mass Pike, Route 128, and the Riverside and Woodland “T” stations. All commuting students are guaranteed parking in one of our commuter lots. Additional information about commuter parking can be found in the Campus Police section. Commuter students who take the MBTA can utilize the shuttle service. A shuttle service is provided to all students seven days a week (excluding break periods) throughout the academic year. The shuttle follows a scheduled route that transports students throughout the campus and to the Riverside T Station, the Newton Center business district, and to a local supermarket. The schedule is available online at My.Lasell. Students can track the shuttle and see the next two arrival times at any stop with our Shuttle App.

For information on MBTA discounts and questions regarding Commuter Life contact the Office of Student Activities.
The athletic program at Lasell College provides student-athletes the opportunity to develop and display their talents through collegiate-level competition. At Lasell College, athletics are considered an integral part of a sound educational experience with the goal to have each student-athlete strive to reach his or her potential on and off the field.

The athletic department fosters the development of sportsmanship, community, fair play, positive societal values and physical well-being for all participants. Lasell’s highest priority is to ensure that each student-athlete receives a superior education and successfully completes an academic program. We believe the leadership, teamwork and self-discipline learned on the playing field are qualities that lead to both athletic and academic success.

**LASER PRIDE**
Division III Athletics

- **Baseball**
- **Basketball**
- **Cross Country**
- **Field Hockey**
- **Lacrosse**
- **Soccer**
- **Softball**
- **Track & Field (Indoor)**
- **Track & Field (Outdoor)**
- **Volleyball**

**VARSITY TEAM CLEARANCE & TRYOUTS:**

All first year athlete medical clearance information including Sportware information can be found at laserpride.lasell.edu/information/athletic_training/index.

- All incoming student-athletes must complete clearance requirements on Sportware by **Monday, August 1.**

- All incoming student-athletes must have a physical within 6 months of initial participation (must be dated after March 1, 2016).

Fall team tryouts (m/w cross country, m/w field hockey, m/w soccer, and w volleyball) will take place on: **Sunday, August 21.**

- To participate in the tryout day, student-athletes must have all Sportware requirements complete, all financial aid documentation finalized and be in good standing with the Office of Student Accounts.

Winter and spring team tryouts will be held after your arrival on campus in September.

More detailed information for all student-athletes can be found at laserpride.lasell.edu or by contacting the Director of Athletics, Kristy Walter at kwalter@lasell.edu.
In addition to our varsity athletic programs, Lasell offers plenty of ways to stay active. You can participate in club sports, like rugby and tennis; compete on the intramural level in basketball, dodgeball or Ultimate Frisbee; or even take advantage of free canoeing and kayaking nearby on the Charles. There are also two fitness centers on campus, filled with free weights, weight machines and cardio equipment. Both fitness centers are open to the entire Lasell community more than 85 hours each week. There are also group fitness classes such as Pilates, Zumba and Kickboxing offered for free throughout the year.
Lasell College Dining Services offers the quality, variety, convenience and flexibility that will make your college dining experience enjoyable.

We strive to keep up with the ever-changing trends in dining by offering all of your classic favorites, along with ethnic dishes, vegetarian selections and low-fat options in convenient dining locations across campus. All of this is available to you by choosing one of the Meal Plans listed to the right.

CHOICES, CHOICES, CHOICES!

To help you select the ‘right’ meal plan, first consider your daily routine... will your class schedule, studying, extracurricular activities and social commitments interfere with dining? Secondly, consider your own eating habits... are you an all-day snacker, or do you prefer three meals a day? Finally, might you miss dinner due to employment obligations or evening classes? Anticipating the answers to these and similar questions will help you to select a meal plan that best fits your lifestyle.

LASER LOOT

These funds offer the most flexibility and value, as they can be used in dining facilities across campus. See information on the Torch Card to find out how Laser Loot can work for you.

RESIDENT MEAL PLANS:

- Gold Plan: 19 meals per week with $75 in Dining Dollars per semester
- Silver Plan: 14 meals per week with $125 in Dining Dollars per semester
- Bronze Plan: 10 meals per week with $175 in Dining Dollars per semester (please note that the Bronze Plan is only available to second year students and above)

Dining Dollars can be used in the Einstein’s at Arnow Campus Center and Glow Café as a value on the Torch Card. These dollars do not carry from semester to semester.

COMMUTER BLOCK PLANS:

- Block 75: $345 for 75 all-you-care-to-eat meals
- Block 50: $230 for 50 all-you-care-to-eat meals
- Block 25: $115 for 25 all-you-care-to-eat meals

These are meal plans sold in increments or “Blocks” and are more economically advantageous for students who do not spend the majority of their time on campus. They may be used at any time during the course of the semester.
LASELL COLLEGE’S TORCH CARD

It’s your official Lasell College student ID that gives you access to everything you need – from checking out books from the Library to entering Residence Halls to eating at the Dining Hall.

The Torch Card program comes with a stored-value account called Laser Loot. This is optional, but highly recommended as a way to provide you with the resources you need for the whole semester. Your Laser Loot account works like a debit card, and allows you to draw upon pre-deposited funds to make purchases throughout campus. Additional Laser Loot deposits can be made at any time during the semester. Parents can deposit safely and securely online to a Laser Loot account at www.lasell.edu/alumni-and-friends/parents-and-families/laser-payments.

With the Torch Card, there is no credit card interest or charges, no chance of overdrawing the account, and no need to carry cash around campus. And as an additional value, these funds are tax exempt, so you’ll continue to save. These funds carry over from year to year; any balances are refunded to the students when they leave.
MAILROOM

The Lasell College Mailroom is located on the ground floor of Edwards Student Center. All new resident students receive a mailbox for letter mail and school notices. If you receive a package, you will be notified via email that it has arrived and it can be picked up in the Mailroom Monday through Friday 8:30 A.M. – 5:00 P.M. Stamps are available for purchase at the Mailroom, outgoing packages with postage affixed may also be left at the Mailroom to be sent out. A postal kiosk is available 24/7 in Butterworth Lounge to purchase stamps and postage for outgoing packages.

Please share this with family and friends to ensure your mail and packages find their way to you here at Lasell. Your school mailbox is NOT a P.O. Box, so be sure that the address only says Box #.

For more information on the Mailroom and its services, please visit my.lasell.edu/mailroom.

CAMPUS POLICE

Your safety and security is the top priority for the Lasell College Campus Police Department. The Department is responsible for safety, security, and law enforcement at Lasell.

Officers are graduates of state certified police academies that are conducted by either the Massachusetts State Police or the Municipal Police Training Council. All are sworn police officers with powers of arrest and the same authority as any other police officers of the Commonwealth. In addition, all officers are trained in First Responder First Aid and respond to all medical emergencies on campus. Police officers are on duty 24 hours a day, seven days a week to provide for your safety. The Department also prepares and submits the annual Campus Crime Report which is required by the Jeanne Clery Act, a copy of this report can be obtained upon request. Contact the Lasell College Police Department at campuspolice@lasell.edu or phone at (617) 243-2269.

PARKING INFORMATION:

The Campus Police Department also manages parking and traffic safety on campus. As our campus has grown, parking has become limited. As a result we do not have sufficient parking available to offer permits to first year resident students.

Secure a parking permit.

If you will be commuting to campus by car, on-campus parking is guaranteed; however, you will need to secure a parking permit and complete registration paperwork in September. Parking for commuter students is $100 for the academic year. All permits must be paid in full before they can be issued.

DURING YOUR TIME AT LASSELL, YOUR MAILING ADDRESS WILL BE

- Your Name
- Lasell College
- Box # (see My Housing, to be assigned at Orientation)
- Newton, MA 02466

Please visit my.lasell.edu/mailroom for more information on the Mailroom and its services.
Donahue’s Bookstore at Lasell College carries all course materials required for your classes. The bookstore is pleased to offer many affordable textbook options including new, used, digital, and rental. Your books may be purchased in the store or online through our website, lasell.bncollege.com. If you purchase online, you can choose to have your books shipped to you, or pick them up in the store when you arrive on campus!

The Bookstore also carries an assortment of Lasell College clothing and gifts, school and dorm supplies, snacks, and technology products, and is located in the Arnow Campus Center.

If you have any questions, feel free to contact Donahue’s Bookstore at (617) 243-2182 or via email to lasellbookstore@lasell.edu. Please visit our website for more details and current store hours, lasell.bncollege.com.
SERVICE & CIVIC ENGAGEMENT

Lasell College’s Center for Community-Based Learning (CCBL) provides support and opportunities for students, faculty, staff, and community organizations to engage in mutually beneficial projects.

The CCBL offers many community service, service learning, and linked-credit service options. To learn more about any of the services provided by the CCBL make sure to attend the Fall Activities Fair, or visit our office located in Klingbeil House, 142 Woodland Rd., across the street from the Arnow Campus Center.

- Alternative Spring Break
- Shoulder to Shoulder Service Learning

CLASSES AND CREDITS

- Linked Credit Program
- Leadership & Civic Engagement Minor
- SVL 202 “Introduction to Community Organizations”

SPIRITUAL LIFE:

The Center for Spiritual Life seeks to enhance the spiritual life of students by providing opportunities that encourage dialogue, exploration, interfaith understanding, pastoral counseling and community awareness. The Center works collaboratively in providing student driven services that address the needs of the Lasell College community both educationally and personally.

It is the goal of the Center to aid students throughout their college career in developing, integrating, and articulating their values and beliefs and laying a foundation for ethical choices and leadership. We can connect you with local faith communities, help you organize holiday celebrations, and work with you to address important questions in your life. Stop by for a cup of coffee and a chat!

We are located at 18 Maple Terrace, room 1, on the first floor. If you would like to learn more about our programs or meet with our Spiritual Life Director, The Reverend Dr. Thomas P. Sullivan please call: (617) 243-2059 or email tpsullivan@lasell.edu.
GETTING INVOLVED

The Office of Student Activities believes that education takes place both inside and outside of the classroom. We are committed to the education of the whole student and work to provide a balance of social and educational programming for our students. The office oversees over 70 registered clubs and organizations on campus, coordinates Lasell’s orientation programs, maintains leadership development offerings, and facilitates many campus events. The Office of Student Activities also offers discounted ticket sales for Boston professional sporting events, Broadway Across America shows, and other Boston attractions.

The upcoming Fall Activities Fair is your chance to meet clubs, organizations, and departments and to sign up to get involved!

The Office of Student Activities is located in the Campus Center, on the 2nd floor, and is open Monday through Friday from 8:30 A.M. - 6:00 P.M. during the academic year. You can also reach us by telephone at (617) 243-2475 or by email at studentactivities@lasell.edu. For more details please visit our websites: www.lasell.edu/studentactivities and www.lasell.edu/orientation.
HEALTH SERVICES

Health Services provides high quality healthcare and health promotion to improve students’ overall health to support their educational goals, and to develop skills for long-term healthy lifestyles.

Our physician and team of nurse practitioners believe in a holistic approach to health which includes optimal physical, emotional and social well-being. We provide comprehensive primary care for routine health care issues, illness, and injury and believe that health care is a partnership between the student and health care provider.

All incoming students must submit the required health forms. Please make an appointment with your health care provider as soon as possible in order to avoid any delays in completing and uploading your health forms. In order to streamline your registration process, please make an extra copy of any uploaded forms and bring them with you when arriving on campus.

It is important for you to know that all health information is held in confidence and that no one has access to the health forms except Health Services personnel. All visits to Health Services (including treatments and discussions) are kept strictly confidential except in the case of a medical emergency.

Health Services is closed during the summer months and will reopen for administrative purposes only in August, and can be reached at (617) 243-2451. If you have any questions or concerns regarding these health forms in June and July please contact the Office of Students Affairs at (617) 243-2124.

SPECIAL NOTES:

- Students taking medication for ADD/ADHD or other psychiatric medications will not be able to obtain refills from the Lasell College Health Services so please make arrangements for refills to be provided by the prescribing medical provider. An ADD/ADHD Medical Exemption Form must be completed and signed for student athletes only. If you have questions regarding this form, please contact Chris Noyes at (617) 243-2297.

- For all Athletic Training students, please make an additional copy of all of your health records as you will need to present them to your advisor and your college internships. All Athletes’ health records will be shared with the Athletic Training staff.

- If you are considering a Study Abroad Program during your Lasell College career, please ask your health care provider to administer the Hepatitis A Vaccines.

TITLE IX

Each year, Lasell College conducts campus-wide sexual and domestic violence awareness and prevention trainings for students, faculty and administration. Lasell’s approach to prevention combines sexual and domestic violence education into the curriculum through the College’s unique Connected Learning teaching method, producing activism within the student body. Students proactively educate the Lasell campus and their peers through their student-led and student-driven campaigns designed to prevent domestic and sexual violence.

Lasell College complies fully with the federal Title IX statute which requires all federally funded colleges to support and serve survivors of sexual misconduct, dating and domestic violence, and stalking, while holding perpetrators accountable for their behavior. For further information, please contact Jennifer O’Keefe, Director of Legal Affairs and Title IX Coordinator, at jokeeffe@lasell.edu, (617) 243-2065.

ACCESS REQUIRED HEALTH FORMS at lasell.medicatconnect.com

The deadline for completing & uploading forms is August 1, 2016.

SUBMIT YOUR HEALTH FORMS:

To be completed by you ONLINE with help from a parent or guardian:

1. New Student Health History Form
2. Permission to Treat Form (if 18 or older)
3. Tuberculosis Screening Form (will need health care providers signature if not low risk)
4. Meningitis Waiver Form
5. Immunization Dates

To be completed by a health care provider and UPLOADED to your online health record via the patient portal:

6. Immunization Record*
7. Student Physical Exam
8. Tuberculosis Screening Form (if considered higher risk)

To be UPLOADED to your online health record via the patient portal:

9. Photocopy of the front and back of your insurance card
10. Consent to Treat Minors Form (only complete if not yet 18 years of age)

*All of the vaccines listed on the immunization form are required by Massachusetts State Law. Any student failing to provide the required immunization documentation will be prohibited from registering and attending classes.

We prefer that you upload your medical forms using the above link. If you are unable to upload your forms please return your completed health forms by either faxing to: (f) 617-243-2339, or by mailing to:

Health Services
Lasell College
1844 Commonwealth Ave
Newton, MA 02466
SUPPORT & DISABILITY SERVICES

Lasell College is committed to providing a supportive environment for all students, including individuals with a documented need requiring accommodation inside the classroom and/or in the residential community. Additionally, continuity of care for students with counseling and health needs is important for success.

The Academic Achievement Center (AAC) is dedicated to helping all Lasell College students achieve their academic goals by providing them with the academic supports crucial to building and strengthening their skills. Professional and Peer Tutors are available for scheduled tutoring appointments and walk-in sessions for specific content areas, as well as study groups, writing assistance and organization/study skills/time management. Students can sign up online for appointments, or email aac@lasell.edu for more information.

Students with documented learning disabilities as determined under the ADA and as defined in Chapter 504 of the Rehabilitation Act of 1973, may benefit from certain supports. Academic accommodations are determined on an individual basis, facilitated by the AAC Director, making use of submitted documentation as well as a confidential consultation with the student. Appointments and disability documentation must be completed and submitted at the beginning of the semester. Upon review and determination of appropriate accommodations, the student is responsible for follow up with his/her individual faculty member(s). All personal information will remain confidential; discussions with parents or legal guardians are encouraged when supported by FERPA documentation. If you believe you qualify and would benefit from appropriate and reasonable accommodations, the AAC Director is available to discuss those options with you. Please contact Dolores Radlo via email: dradlo@lasell.edu, call: (617) 243-2474 / fax: (617) 243-2309, visit: Brennan Library, Main Level, Rm. 207.

The Counseling Center provides confidential short term counseling and mental health services to students. For students needing care beyond the scope of our clinical services (for example weekly psychotherapy, psychiatric evaluation, specialized substance abuse or intensive mental health treatment) we can assist the student in referrals to services in the community using your health insurance. It is best to find off-campus professionals in the Boston area before coming to Lasell. For students with ongoing medication needs, it is best to plan for continuity of care with your current health care professional. If you have questions about appropriate support in transitioning to Lasell as a new student please contact Janice Fletcher, Counseling Center Director at (617) 243-2145 or jfletcher@lasell.edu.

The Office of Residential Life works to provide students a living arrangement that meets any special physical or medical needs they may have. Reasonable accommodations can be made for students with a documented need (housing accommodation requests to support a learning-based disability requires relevant documentation to also be submitted to the AAC Director for consideration of appropriate academic accommodations). Contact the Director of Disability Services at (617) 243-2115 or by email at slamphere@lasell.edu with any questions regarding housing needs.

Any required documentation related to the areas above must be received by July 8, 2016 or sooner. Documentation must be provided by a medical provider and submitted in writing by either faxing to (617) 243-2374, or by mailing to: Director of Disability Services, Lasell College, 1844 Commonwealth Avenue, Newton, MA 02466.

ACCIDENT & SICKNESS INSURANCE

Lasell College’s insurance service provider is University Health Plans, www.universityhealthplans.com. The Commonwealth of Massachusetts mandates every student enrolled in a certificate, diploma, or degree-granting program of higher education must participate in their school’s Student Health Insurance Plan or in a benefit plan with comparable coverage. To comply with this requirement, Lasell College will initially bill all students enrolled in 9 or more credits for the insurance plan. Courses that meet strictly online and courses that meet less than 15 days a semester on campus are not included in the calculation of credits.

STUDENTS WHO WISH TO ENROLL IN THE PLAN

Although students are automatically enrolled in the plan each year unless they file a waiver, qualified applicants who are eligible to enroll in the plan are encouraged to fill out an online enrollment form. The enrollment form will confirm that you want the Student Health Insurance, and result in you receiving an insurance card sooner than through the automatic enrollment process.

STUDENTS WHO WISH TO WAIVE THE PLAN

Students will be automatically enrolled at the start of the semester if no waiver is provided. Students who do not wish to purchase the plan and are enrolled in an existing plan with comparable coverage may waive the insurance/charge by completing the online waiver form prior to the payment due date and providing proof of enrollment. The health insurance charge will be credited to the student’s account within two business days of the College’s receipt of the waiver information, provided the information is submitted by published deadlines. Students who do not submit valid waiver information will be enrolled in the plan and are responsible for the associated charge. Health information sent to the Health Center, Registrar’s Office or Athletic Office does not absolve the student of submitting proof of coverage via the online waiver process.

Please consider your specific needs, and consult with your health insurance provider before deciding to waive the health insurance policy offered through the College. Many full-time students are covered by their parents’ or guardians’ insurance plans, however, some plans only cover urgent or emergency care outside the home area. Additionally, some out-of-state plans may have networks that do not include care providers in Massachusetts for ongoing medical, physical therapy or mental health care. For additional information or to complete a waiver form visit: www.universityhealthplans.com
STUDENT ACCOUNTS

The Lasell College Office of Student Accounts is here to serve your needs as they relate to your tuition account.

ENROLLMENT POLICY

By registering as a student at Lasell College, you agree to pay all charges on your account when due, and you agree to abide by the Billing Policies and Fees stated here, in the Course Catalog and Student Handbook. Your financial responsibilities to Lasell College include meeting payment deadlines, fulfilling loan or grant requirements, and addressing outstanding balances in a timely manner. The Office of Student Accounts’ official means of communication are via the student’s Lasell email account and/or the student’s home address on file. It is important to understand that communications will be directed toward the student, rather than a parent or guardian. If a parent or other individual is assisting with educational finances, please discuss all billing information with that person.

ALTERNATIVE PAYMENT POLICY

If you choose a payment plan or loan to pay your bill, plans must be current, applications must be approved and completed prior to the payment due dates listed under the ‘Payment Schedule’ section. When determining the amount to borrow, any fee charged by the lender must be added to the balance due to Lasell College to insure your college account is paid in full.

Parent and Alternative Student Loans: Student loan programs may allow students and/or parents to borrow up to the entire yearly cost of college, less any awarded financial aid. For information on applying for a Parent PLUS Loan or Alternative Student Loan, please visit: www.lasell.edu/tuition-and-aid/types-of-financial-aid.html

Monthly Payment Plan: Lasell College has contracted with Tuition Management Systems (TMS) to offer a monthly payment option. Semester plans are available to budget your educational cost over four or five months with payments beginning in June for the fall term and November for the spring term. Comprehensive information will be mailed directly to all students. For more information about the TMS payment plan or to enroll, visit www.afford.com/lasell or call (888) 216-4258.

ACCOUNT PRIVACY POLICY

Per FERPA (family educational right to privacy act), bills/statements are generated in the student’s name and therefore, the student bears the responsibility for payment. Parents/guardians (or anyone else) may not receive specific information about a student’s bill without student consent. If a parent or third party wishes to make payments on the student’s behalf, it is the responsibility of the student to share all correspondence, including billing statements, with those individuals.

A Billing PIN (personal identification number) is issued to all students to assist in providing information while complying with privacy policies. Students who wish to allow account access to a parent/guardian or third party, may provide their Billing PIN to that individual. Anyone contacting the Office of Student Accounts for specific account information will be asked to provide the PIN. The Billing PIN can be found on Lasell’s Self Service portal under the My Profile tab, Account Information, Student Accounts Billing Pin. Students may also add shared users to their Student Account Center (SAC) to allow users to view account details and make payments toward their student account.

PAYMENT SCHEDULE:

When you register at Lasell College, you are agreeing to pay all charges when the account is due, on a semester-by-semester basis.

- Fall 2016 semester due: Friday, July 15, 2016
- Winter/Spring 2017 semester due: Monday, January 2, 2017

Late Payment and Returned Check Policy:

A late charge of 18% per annum (1.5% per month) will be assessed to accounts not paid by the due date. Any check returned unpaid will result in a fine of up to $30. The College reserves the right to suspend or terminate services and/or enrollment due to delinquency in payment. In the case of delinquent accounts, if an outside collection agency is utilized, the student’s account may be assessed collection fees.

Please contact the Office of Student Accounts with any questions regarding your statement well in advance of the payment due date.

Phone: (617) 243-2103
Fax: (617) 243-2326
Studentaccounts@lasell.edu

FINANCIAL PLANNING
STUDENT ACCOUNTS

ACCOUNT ADJUSTMENT REFUND POLICY

Student Account with a Credit Balance: Credit balances occurring as a result of excess loans or financial aid will not be issued until the entire loan and/or aid funds have been received by Lasell College. Credit balances for enrolled students will remain on the account unless requested by the student, or are federal funds that exceed the cost of attendance. Excess federal funds will be issued to the student in accordance with federal regulations. Refunds will be issued within three weeks of the request and will be made via direct deposit or prepaid/debit card per the students’ selection. Students who request a refund prior to the end of the academic year understand that, if additional charges are assessed and/or financial aid is adjusted following receipt of a refund, a balance may be due to the College.

Prepay/Debit Card: Lasell College students now receive refunds via a reloadable Visa-branded prepaid debit card (default method if no selection made at enrollment confirmation), or direct deposit (ACH) into their designated bank account. At the start of each term, all new and current students who are not already registered on the Refund Disbursement Portal, lasellchoice.afford.com, will receive an email inviting them to register and select one of the refund disbursement options. Students follow the secure link to register and set up their preference only once, and may change it at any time. Early signup is highly recommended. All students should log into Self Service at selfservice.lasell.edu to verify their mailing address, name and date of birth are correct. Students who do not anticipate receiving a refund are still encouraged to register. The reloadable card can be used at all retail stores that accept Visa prepaid debit cards. The card can also be used fee-free at ATM machines within the AllPoint ATM network.

Enrollment Change: Students who change their status from full time to part time, OR part time students who reduce their number of credits, after the add/drop period will be responsible for 100% of tuition and associated fees for the semester. No adjustments are made to the following fees after the published add/drop Period: Accident and Health Insurance, Allied Health Fee, Fashion Design/Production Fee, Graphic Design Fee, Excess Credit Fee, and Lab Fees.

Housing Changes: Students wishing to change their status from resident to commuter during the academic year must petition the Director of Residence Life in writing for release from the Housing Agreement, and may be assessed penalty charges as outlined in the Housing Agreement. Students who change their status from resident to commuter after the Add/Drop period will be responsible for 100% of Room and Board charges for the semester.

Financial Aid: Adjustments and refunds to Federal Financial Aid are made in accordance with the regulations set forth by the Federal Department of Education. Contact our Office of Student Financial Planning at (617) 243-2227 if you have questions. Unpaid charges may remain after adjustments and are the student’s responsibility.

WITHDRAWAL FROM THE COLLEGE

The Withdrawal Adjustment Schedule applies to a student who has completed the appropriate steps to cancel his/her enrollment at Lasell College. Non-attendance does not relieve the student of financial obligation or imply entitlement to a refund. Please contact the Registrar’s Office for proper withdrawal procedures. For all withdrawals after the published add/drop period, no adjustment is made to the following fees: Accident and Health Insurance, Allied Health Fee, Fashion Design/Production Fee, Graphic Design Fee, Excess Credit Fee, Parking Permit, and Lab Fees. Room and Board will be adjusted according to the schedule only if the room is vacated within the time period determined by the Office of Residential Life. Students remaining in housing past the time period granted will be charged for daily Room and Board. For purposes of account adjustments, no differentiation is made between voluntary withdrawals, administrative or academic suspension.
**FEE DESCRIPTIONS**

- Full Time Tuition: Covers the instructional costs for a minimum of 12 and a maximum of 18 credit hours per semester. Students exceeding 18 credit hours per semester will be charged per additional credit.

- Comprehensive Fee: Pays for services available to all students, such as: transfer credit evaluation, student activities, technology services, athletic facilities, original identification cards, graduation, and use of the College Health Center.

- Room and Board: Includes the cost of room and a meal plan. All student residing on campus must be enrolled in the meal plan. Meal plan selection does not alter the cost of Room and Board.

- Housing Damage Deposit: Charged the first semester and credited back to the account at the end of each academic year; applied toward any individual and/or communal damage costs above normal wear and tear, as assessed by the Residence Life staff. The cost of unreturned keys will also be deducted from this deposit.

- Study Abroad Deposit: A non-refundable deposit which confirms a student’s commitment to study abroad in the following semester.

- Study Abroad Administrative Fee: The Study Abroad Administrative fee is billed to all students who study abroad for a semester on a Lasell approved program.

- Allied Health Major Fee: Covers liability insurance, clinical placement and lab usage required for students enrolled in the following majors: Exercise Science and Athletic Training.

- Excess Credit Fee: The full-time tuition rate covers up to 18 credit hours per semester. Students exceeding this allowance are charged $1,075 per additional credit hour.

- Graphic Design Major Fee: Charged to all students enrolled in the Graphic Design major to pay for hardware, software, guest speaker honorariums and miscellaneous materials/supplies that are necessary to maximize student learning.

- Fashion Design/Production Major Fee: Charged to all students enrolled in the Fashion Design and Production major to cover the basic costs of clothing construction. This fee does not cover the cost of the clothing construction kit to be purchased separately. Lab fees may also apply to courses within this department.

- Lab Fees: Fees ranging from $20-$100 are charged for materials, services and other extraordinary costs for courses such as Fashion Illustration, Pattern Generation, Visual Merchandising, Fashion Promotion and Photography.

- Parking Permit: The College requires all vehicles parked on campus be registered with Public Safety. Parking is permitted in assigned lots only. Unauthorized vehicles may be ticketed or towed.

**DIRECTIONS TO LASELL**

**From the West:**  
Take the Massachusetts Turnpike (Route 90) to exit 14. Take Route 128 North to exit 24 east (Route 30 Commonwealth Ave.) Travel east on Route 30 1.4 miles to the Lasell College sign on your right.

**From the South:**  
Take I-95/ Route 128 to exit 24. Follow sign to Route 30. Turn right on Route 30/ Commonwealth Ave. East (toward Boston). Travel 1.4 miles to the Lasell College sign.

**From the East:**  
Take the Massachusetts Turnpike (Route 90) to the Route 16 Newton/Wellesley exit. Bear right off the ramp onto Washington Street (Route 16 West). At third traffic light, turn right onto Commonwealth Ave. / Route 30. Travel until you see the Lasell College sign on your left.

**From the North:**  
Take I-95/ Route 128 to exit 24. At the exit ramp take Route 30 east (Commonwealth Ave.). Travel 1.4 miles to the Lasell College sign. The Massachusetts Bay Transit Authority (MBTA) provides train service via the Green Line “D” Train to Riverside Station, which is within one mile of campus. Walking directions from Riverside Station: Walk up to Grove Street, and walk to the left. Take a right down Woodland Road.

**By Train:**  
The Massachusetts Bay Transit Authority (MBTA) provides train service via the Green Line “D” Train to Riverside Station, which is within one mile of campus. Walking directions from Riverside Station: Walk up to Grove Street, and walk to the left. Take a right down Woodland Road.

In addition, there is a commuter Purple Line service to Auburndale Station (be sure to use the Framingham/Worcester Line) which is very close to Lasell’s campus. For more information please go to www.mbta.com.

---

**BOSTON**

Boston is one of the best college towns in the nation. You’ll join over 200,000 students from the area’s many colleges and universities in taking advantage of all this world-class city has to offer. Lasell College, just 8 miles west of Boston, puts you within a short train/bus or car ride of many famous attractions. You can walk the Freedom Trail, visit the Museum of Fine Arts and the Museum of Science, experience Symphony Hall, enjoy Faneuil Hall and Quincy Market, or catch Red Sox, Bruins, or Celtics games.

**NEWTON**

Lasell College is located in the city of Newton which is comprised of thirteen villages. Lasell College is in the historic village of Auburndale and has been a long-time partner with the City of Newton. Over the years, the College has contributed to the social, educational, and economic well-being of the greater community. Lasell College students have access to many of the things Newton has to offer using our campus shuttle system which operates during the academic year.

VALUES TO LIVE BY

For the Students, By the Students

We live by THE GOLDEN RULE.
The Golden Rule is never out of style. Treat others the way you want to be treated!

We live by RESPECT.
Regard others with kindness and respect, and honor their beliefs!

We live by ACCEPTING DIFFERENCES.
Do not be afraid to look around campus. It is nice that things may seem different than where you come from.
New people lead to new experiences and new friends!

We live by MATURITY.
As the years progress, so should your levels of maturity and responsibility.
Be the mature adult you are capable of being!

We live by RANDOM ACTS OF KINDNESS.
A kind and courteous gesture can make all the difference in creating an enjoyable and ideal community!

We live by COMMITMENT.
Believe in something, dedicate yourself to it, follow through on it and honor it.
Make a pledge to yourself to take a respectful stand and commit yourself to a worthy cause!

SOCIAL MEDIA:

Follow and connect with the Office of Student Activities online! Be the first to get information and reminders about upcoming events and ticket sales, see pictures from activities and Orientation, and enter to win contests!

The Office of Student Activities is on Facebook at facebook.com/lcactivities and Twitter and Instagram at @lcactivities.

Lasell College is a part of several social media networks; join us to keep up-to-date with our latest news, events, and more. The following is a listing of other social media options for Lasell College.

</table>
I can. I will. And at Lasell, I already am.
Because this is where I can chase down the new:
The new things, ideas, and places that drive me to go even further.
Where my voice is heard. My thinking is challenged.
And my success is supported at every step.
I try, always. I struggle, sometimes. I quit, never.
I try again. I try harder. I try better.
And I achieve. I flourish. I triumph. I am ignorant of defeat.
Equipped with confidence, I know I can. Guided by experience, I believe I will.
I am in pursuit of great.
