

GRADUATE & PROFESSIONAL STUDIES BILLING POLICIES

ACADEMIC YEAR 2021-2022

Terms & Conditions of Payment Obligations

By registering for courses at Lasell University, you are agreeing to pay all charges on your account when due and understand that this constitutes a legal financial obligation. Student account charges may include but are not limited to; tuition, mandatory student fees, housing fees, parking fines and late payment fees. You are personally responsible for all amounts due regardless of financial aid eligibility or other financial assistance.

Failure to meet financial obligations by the published due date may result being dropped from courses or a stop will be placed on the student account that will prevent future registration or add/drop, the release of official transcripts and the release of a diploma.

Students who drop or withdraw from some or all of the classes registered for, will be responsible for all or a portion of the tuition and fees in accordance with the published tuition refund schedule.

Lasell University may refer delinquent accounts to an outside collection agency. All fees charged by the agency based on a percentage at a maximum of 40 percent, together with all costs and expenses including reasonable attorney's fees will be the responsibility of the student to pay. Delinquent accounts may also be reported to one or more of the national credit bureaus.

Billing Policies

Bills for the semester will be available approximately 30 days ahead of the due date. If registration occurs after the billing due date the bill will be due immediately. Any changes that occur on the bill after the billing due date are due immediately, such as change in registered credits, parking charges etc. Once the due date has past, stops will be placed on accounts for any outstanding balances that prevent the release of grades and future registrations. Any courses that remain unpaid are subject to being dropped for non-payment.

Bills are available online to view through the [Student Account Center](#). Bills are not mailed out. All billing notices are sent to the students' Lasell University email address. Students are able and encouraged to set up anyone assisting them with their bill as shared users on their account. Shared users can access the same information the student can, they will receive billing notifications and they will be able to speak with the Student Accounts staff regarding the account. Information can only be released to shared users.
