## KEYNOTE SPEAKER: MARVIN GILMORE

Marvin Gilmore is a civil rights and social justice pioneer, humanitarian, community activist, entrepreneur, political advisor, honored World War II veteran, musician, and family man. His life is an odds-defying story of perseverance, bravery, and commitment to bettering the lives of those around him. He has fought for freedom, equality, and equity all over the world: on D-Day in France, in the South against the Klan with Charles Evers and Bill Russell, and in Boston and Cambridge to build better opportunities for others amid racial discrimination.

Gilmore co-founded landmark New England businesses Unity Bank and Trust Company (the first Black-owned and operated commercial bank in Boston, now OneUnited Bank) and the Western Front (a Black-owned and operated music venue in Cambridge for 46 years), which made headlines for their success despite discrimination against Black business leaders.

From 1973 to 2015, Gilmore served as president and CEO of Community Development Corporation of Boston (CDC), a community-based non-profit economic development organization. Under his leadership, the CDC's primary focus was to encourage businesses to develop sites in inner-city neighborhoods. He and the CDC were a primary force in the economic development of Boston's Southwest Corridor, Newmarket Industrial District, and CrossTown Industrial Park. He has served on the Low-Income Housing Commission and Boston Local Development Corporation Board of Trustees.

Gilmore was raised in Cambridge and enlisted at age 16 to fight in World War II, during which he served on D-Day's Normandy, Utah, and Omaha Beaches. He has received more than a dozen medals and honors for his service, including the Bronze Star Attachment (Quadruple), French Legion of Honor, and Order of Lafayette. He has participated in laying the wreath on the Tomb of the Unknown Soldier at Arlington National Ceremony and was honored on the 70th anniversary of D-Day by American President Barack Obama, French President Francois Hollande, and Queen Elizabeth II. In 2013, he was given the Commonwealth of Massachusetts' highest honor, the Commonwealth Leadership Award, for his extraordinary commitment to public service.

Today, at age 99, Gilmore is president and co-founder of the "new" Western Front, a minority-owned-and-run cannabis dispensary with three locations in Chelsea and Cambridge.

Gilmore holds a bachelor's degree in music from the New England Conservatory of Music and a Doctor of Humane Letters from Endicott College.

## ALMA MATER

Firmly bound by bonds unbroken—  
Love for old Lasell—  
Take we now a pledge outspoken,  
E'er to guard her well.

Alma Mater, Fidelitas!  
Pledge, all, for loyalty!  
Sing we now before we part,  
We'll ever faithful be.

Bright school days are quickly past;  
Enjoy them while you may.  
Mem'ries still shall them outlast,  
When we are far away.

Alma Mater, Fidelitas!  
Pledge, all, for loyalty—  
Sing we now before we part,  
We'll ever faithful be.

# HISTORY OF ACADEMIC REGALIA

Academic “costumes” date back to medieval English custom when kings’ courts were closely associated with Oxford University and there was a deep connection with the church. The elaborate vestments identify the degrees, disciplines, and levels of achievement of the wearer. In the United States, the Intercollegiate Commission set the standards for academic costumes in 1894.

For bachelor’s or master’s degrees, the color of the gown is black with no trim. The doctor’s gown is faced down the front in black velvet with three bars of the same across the sleeves. The color code is the same for all degrees; however, the width of the hood edging, hood length, and sleeve style vary. The doctor’s hood has edging 5-inches wide, a 4-foot hood length, and full, round sleeves. The master’s hood edging is 3-inches wide, and the hood is 3.5-feet long with long pointed sleeves. The bachelor’s hood edging is 2-inches wide, the hood measures 3 feet, and the sleeves are full-length square. The colors of the satin lining of the hood indicate the particular college or university that awarded the degree. Tassels for caps for all degrees may be black, with the exception of gold, which is most often worn for the doctor’s degree.

# HISTORY OF THE LASELL UNIVERSITY BANNERS

The Lasell University banners exemplify the rich tapestry of the institution. Class banners vary greatly with color, motto, and pattern chosen by each individual class. These banners have been a part of the University’s history since 1854. Early banners were typically designed with shields in red, white, and blue bearing class mottos; later, some were made of silk and occasionally embroidered. Class banners frequently provide insight into world events at the time of graduation. Many of Lasell’s banners have been preserved in the University’s Winslow Archives. Today, we proudly add the banner for the Class of 2023 to the collection as a way to proclaim the long and storied history of Lasell University.
